

Dear Mr. Weinberg!

WBBM

I listen to your argument Jan. 7-1967  
at Random - and I want to let you know  
that I read in Czech Newspaper this  
News (which was taken from French Newspaper)  
and said about the assassination about our  
dear president J.F. Kennedy.

It could not be Oswald - but a man  
in Police uniform - and when the Dallas  
Police make a search after the shooting,  
the man in Police uniform was him -  
self between the Police and so he  
disappears! That was printed in French  
Newspaper (translated in Brazledobroshie)  
1965 - and I am sorry that I don't  
clip that out as a evidence. Please excuse  
my English.

Very truly

A. Albrecht
